

ELECTION TO RECEIVE ELECTRONIC DOCUMENTS AND OPT OUT OF PAPER DOCUMENTS AND DISCLOSURES FOR PACE IN CALIFORNIA

THIS DOCUMENT MUST BE WET-SIGNED. IT CANNOT BE E-SIGNED. It must be printed and signed in pen by the homeowner(s).

California law requires certain disclosures, which may be received electronically by homeowners if they opt out of receiving printed copies. In an effort to further our environmental goals, Home Run Financing is offering this opt-out form for you to execute if you would prefer the more convenient and environmentally friendly option of electronic documents and disclosures. All customers will still receive a full set of their documents by mail after electronic signature.

Complete and return this form to opt out of receiving a printed paper copy of your financial documents. All property owners on title must sign.
